

The Next Four Years: IN HISTORICAL CONTEXT

- *Economic, political, environmental, and spiritual possibilities!*
- *What does history have to tell and teach us?*
- *What cultures have we arbitrarily dismissed?*
- *What cycles are inherent in the universe that affect us?*
- *What is meant by an "axial age"?*
- *What catastrophic events have shaped our world?*
- *What does 2009 have to do with 2012, if anything?*
- *How will the new presidency potentially look?*
- *What can we expect out of the financial markets going forward?*
- *What environmental challenges are most probable?*
- *Will there be an increased awareness and consciousness?*
- *What are some realities about the 12/21/2012 date?*
